

From a young age this Belgian born DJ & Producer has lived and breathed music. Huge amounts of passion and drive helped this boundary breaker climb to the top.

Along side his creative music talent, he is also a founder of the award winning label DirtyWorkz.

In 2013 Coone released his second album, Global dedication, with the mission to introduce Hardstyle to the world. 10 years on and he has helped pave the way for the scene to become bigger and better than ever. The legendary Tomorrowland even chose Coone to premier hardstyle on the Mainstage and every year he is a crowd favourite at iconic events such as EDC, Defqon.1, Parookaville, Electric Love, Reverze and Qlimax. He continues to tour in Asia, North & South America and Australia and always stays loyal to his mission, spreading his mantra #JOINHARDSTYLE.

2022 Kicked off with another new triumph. Coone was part of the lineup as Dirty Workz celebrated 15 years in the business by hosting their own dedicated Hardstyle stage at Ultra Music Festival in Miami. It was the first time Ultra had a Harder Styles stage and it was a great success & yet another huge achievement for Coone & Dirty workz.

Coone's passion and dedication is stronger than ever, with 6 albums and more than 80 releases under his belt, including hits like 'Superman' 'Fight for Something' & 'Faye' and collaborations with many top artists such as Steve Aoki, Dimitri Vegas & Like Mike and Da Tweekaz to name a few.

2023 marks 20 years in the business for this Hardstyle Legend and he is ready to bring you a brand new concept. Coone's new album appropriately called 'A New Decade' will be out this year and he is more motivated than ever to share his passion and creativity with all!
